El Ayudante, Leon, Nicaragua

Nicaragua Mission Trip

The opportunity to serve as the hands and feet of Christ in Nicaragua is a calling which has been a true blessing for each of the team members who have answered that call. In the past seven years, our team has had the opportunity to build houses, provide food bags and Bibles, and serve the children of the communities of Chacraseca and Maranonal and the children of the Nicaragua Children's Home at El Ayudante. While what we have provided to these families and children has been a true gift from God for them, team members will say that the experience and the blessings they receive are also a gift from God.
